day 1

i deserved a better goodbye

day 2

why did you spend so much time
on me, if you weren't going to stay?

day 3

and now i'm crying because
i remember all those plans
we had for a future that
no longer exists

day 4

i know i never actually
mattered to you

day 5

i knew it wouldn't last
i knew it from
the moment
we first talked
yet i still had hope
that maybe just once
something good
could stay

day 6

i'm worried nothing else will
ever feel like love again
after you

day 7

as upset and angry
i am, i still miss you
do you know how fucking
pathetic that makes me feel?

day 8

how do you go back to being
strangers with someone,
who has seen your soul?

day 9

i'm not okay, but that's okay
because you're okay
and that's all matters

day 10

i don't know what it is
about you but i don't
want to lose it because
i know i will never be able
to find it in anyone else

day 11

if i knew it would hurt this much,
i wish i never laid eyes on you

day 12

the hardest part of walking away from you
is knowing that you won't run after me

day 13

and i know i'm not the love of your life
but you will always be the love of mine

day 14

if i could be anything i wanted
i would be the one you love

day 15

i knew i wasn't anything close
to special but you made me feel
like i was

day 16

it hurts like hell when
you know
that you need to
let go of someone
but you can't
because you are
waiting for
the impossible
to happen

day 17

ask me to stay and i will
i will drop everything else
if you ask me to stay

day 18

it will always be you
no matter where i am
or where you are
no matter what
happens to me
or you
no matter what
i will always
love you

day 19

wish you were mine
wish you were mine
wish you were mine
wish you were mine
wish you were mine
wish you were mine
wish you were mine
wish you were mine
wish you were mine

day 20

what kind of a coward
am i, to settle for another
when my heart belongs to you

day 21

here i am, two years later
still in love with you as ever

day 22

i wanted to tell you
i missed you
but i knew
it wouldn't
change anything
so i kept
pretending
i didn't

day 23

even when i was with you
i still missed you, i always
thought about the next time
we'd see each other
even when you were
right next to me

day 24

i love you, i've always loved you
even when you couldn't love me

day 25

i don't know what to say except
that it tore my heart out of my body
saying goodbye to you

day 26

but what if i don't want
our story to end already?

day 27

you were my soulmate
but we weren't meant to be

day 28

knowing someone isn't coming back
doesn't mean you ever stop waiting

day 29

it's the hardest thing ever when
you have to give up on someone
because they have given up on you

day 30

the fact that i have
to give up on you
hurts even more
because
the only reason
i'm giving up on YOU
is because
you gave up on ME
a long time ago

day 31

can i just ask why?
why did you lead me on?
why did you say all those things to me,
knowing they weren't true?
why did you make promises
you knew you were going to break?
why did you keep telling me lie after lie?
everything you did for me
will never make up
and excuse what you did to me
in the end

day 32

how do i forget someone
who made me feel complete
but broke me at the same time?

day 33

i wish i knew what you think
when my name is mentioned

day 34

i wonder if you ever talk
about missing me to anyone

day 35

keeping my distance because
i know i can't have you

day 36

i shouldn't be jealous
you're not even mine

day 37

i know i'm going to miss you
for the rest of my life

day 38

i still remember the last thing
you said to me

day 39

why did you say all those things,
if you weren't planning on staying?

day 40

people come and go, but can't
you please be the one that stays?

day 41

somedays i feel like
i'm over you already
and can't care less
about what you do
but then some memory
strike me out of nowhere
and just like that...

- *i miss you*

day 42

i don't think it ever stops hurting
giving somebody the best of you and
watching them choose someone else

day 43

you, it will always be you
don’t you get that?
if i had the choice
between you and
a million things
i've always wanted
i would choose you
every single time

day 44

i deserved a kinder goodbye

day 45

and how odd is it to be haunted
by someone that is still alive

day 46

don't miss me, you chose this

day 47

i didn't deserve that,
you knew it too

day 48

you should have opened your eyes
i was crazy for you

day 49

i miss you,
all day,
every day,
and you can't even imagine
how pathetic it makes me feel
because i don't even know
if you miss me back

day 50

one of the hardest thing you will
ever have to do is to grieve the
loss of a person who is still alive

day 51

talking to you was the best
part of my 2023

day 52

i promised myself that i would
never fall in love with you
but it was 4 am and we were
laughing way too hard and
i felt happy for the first time
in a long time and i knew
i was screwed

day 53

they never tell you how
hard it is to fall out of
love with someone

day 54

now i count the months
we have been apart like
i used to count the months
we'd been together

day 55

no words can explain the way
i'm missing you

day 56

i stay up most nights

thinking of you
while trying not
to think about you

missing you
while trying not to
miss you

day 57

it's hard to wait around
for something you know
might never happen
but it's harder
to give up
when you know
it's everything
you want

day 58

you are always going to
mean something to me

day 59

how stupid of me was it
to think that you actually
saw something in me?

day 60

i remember the first time
i saw you looked at me
and the second i noticed
you looked away

day 61

just because i let you go
doesn't mean i wanted to

day 62

you're constantly on my mind
while i don't even cross yours

day 63

almost — is what we always will be

day 64

long story short: you broke me

day 65

i find a glimpse of us
in every romance

day 66

i'm afraid
i will love you forever
and we will never
be in the same room
again

day 67

i look for you in everyone

day 68

you can't spend the best years of your life
waiting for somebody to love you back

day 69

maybe in another world,
you would have chosen me

day 70

i should've expected
that we'd drift apart.
i should've expected
that we'd talk less.
i should've expected
to miss you this much.
i should've, i should've,
i should've, but i didn't.

day 71

i don't talk to you anymore, because
i keep telling myself that if you wanted
to speak to me, you would

day 72

wanting love from someone who doesn't
want to love you will destroy your heart

day 73

it doesn't even matter
if i love you more than
anyone else in this damn
world, you don't want me

day 74

you broke my heart
and trust but you could
call me 3 months from now
at 5 am and i would
still pick up my phone
do you know how pathetic
that makes me feel?

day 75

the saddest thing ever is
when you both loved each
other, and then one day,
one fell out of love and
left the other still in love

day 76

you haven't talked to me since...

day 77

wait until they break your heart,
wait to see how they justify it, you'll
see what kind of person they are then

day 78

when i first met you i knew that
you'd either complete me
or completely destroy me

day 79

you said you didn't want
to lose me but you weren't
even trying to keep me

day 80

and on some days,
i wish our paths had
never crossed because
you don't know how
heartbreaking it is to
know that someone
like you exists in this
world and i can not
have you

day 81

one of the most difficult tasks in life
is removing someone from your heart

day 82

you said goodbye,
and i cried my soul out

day 83

but what if i don't want our
story to end already?

day 84

i guess what really
breaks my heart is
i want to be the one
who makes you happy
but i'm not

day 85

one of the most toxic things i've ever
done is ignore the bad in someone
because i love them

day 86

your actions prove your words
didn't mean a thing

day 87

i think what hurt me
the most was that so
many people saw it coming,
and the only thing i ever
wanted you to do was
prove them all wrong
but you couldn't even
do that for me

day 88

the difference?
this time i won't wait
by my phone.
i won't text you every
day to remind you that
i exist. i won't give you
that power anymore
you want me?
you'll have to show me

day 89

why do we try so hard for people
that don't even try for us?

day 90

i was addicted to the way you pretended..

day 91

i like to think that if the timing was different,
i could have been the one for you

day 92

i wish you would
message me
ask me how i am,
what i'm doing,
how i've been.
it hurts to think that
i probably don't go through
your mind at all, while
you never leave mine

day 93

you belong with me, maybe in
another world or lifetime,
but i know you belong with me

day 94

i let you become my happiness
and that's where i went wrong

day 95

i don't regret us, but
i wouldn't do it again

day 96

whenever you miss me
just remember you had me
and i wasn't enough

day 97

remember the "*i love you more*" fights?
looks like i won...

day 98

if you break someone and they
still wish you the best, you've lost
the greatest thing for you

day 99

i think the worst feeling
in the world is knowing
that someone you used
to talk to everyday doesn't
care about you anymore

day 100

i saw you, and i couldn't
differentiate between
my heart breaking
and my heart fluttering

day 101

and if you've never felt your soul
being torn apart, you've never
loved anyone with all your heart

day 102

you are never coming back
and i am honestly trying
my hardest to be okay with that

day 103

do you ever just wonder how
different your life would be
if that one person didn't leave?

day 104

if someone would've
told us 3 years ago,
that at some point
we'd never speak
again, we would have
laughed in their face.
i don't know about you,
but i'm not laughing..

day 105

you left me,
after all the things
you said and
everything we did
you made it look
so damn easy to leave

day 106

i look at you, and i just love you
and it terrifies me. it terrifies me
what i would do for you

day 107

you ever be like "*it is what it is*"
but deep inside your heart
wishes things would be different

day 108

why did we have to meet when
it was too late for us to be together?

day109

i miss you, the old you,
the one that cared about me

day 110

somewhere in between our text
messages, our phone calls, our jokes,
our laughter, our talks.. i fell for you

day 111

the sad thing is that i actually
believed you wanted to be with me

day 112

i miss our late night talks, i miss you, i miss us

day 113

it's so hard not talking to you

day 114

every time you hurt me
i apologized because i felt
guilty for making you feel bad

day 115

i can't unlove you

day 116

being loved by you was the best
thing that has ever happened to me

day 117

i saw you for like..3 seconds.
and it made my day

day 118

you said you'd always be
there for me, but you're not.

day 119

since you happened
i've never been the same

day 120

i want all of my lasts to be with you

day 121

i replay our conversation
in my head all the time

day 122

the problem is, whenever we talk,
i fall in love over and over again

day 123

i like the way we feel together,
we fit, i've never fit with anyone
the way that we do

day 124

i want to ask you what i mean to you,
but i'm afraid to know the answer

day 125

what if you were the only one
for me?

day 126

please stay in my life

day 127

we had the right love
at the wrong time

day 128

i miss the way you treated me
when we first started talking

day 129

i started missing you again
realizing that i never stopped

day 130

what if we gave each other
another chance?

day 131

what if the one that got
away...came back?

day 132

even the shortest conversation
with you makes me happy

day 132

it's 2 am and I'm lying in bed with
nothing but the idea of you and i
in my head

day 134

you should have left me alone
if i wasn't what you wanted

day 135

i don't get it, you don't want me gone
but you don't want me with you either

day 136

how many times can the same
person break your heart?

"as long as you love them"

day 137

because every time
my phone buzzes,
i hope it's you
missing me,
but it never is

day 138

the difference between
promises and memories
is that we break promises,
and memories break us

day 139

i hate needing you,
you don't even want me

— *it hurts*

day 140

this is my last goodbye.
to our good memories
and our bad
to our inside jokes and
the ones we never quite got
and to all the what-ifs
we had and
all the plans
we made

day 141

i think we're just going to have
to be secretly in love with each
other and leave it at that

day 142

we both wanted each other
but—

day 143

just because we can't be together,
doesn't mean i won't love you

day 144

if you start to miss me
remember,
i didn't walk away
you let me go

day 145

truth is, i miss you all the time,
every second, every minute,
every hour, every day

day 146

you didn't even say goodbye...
you just left me

day 147

just admit you never loved me, so all
the pain you caused me, makes sense

day 148

you knew exactly what you were doing,
that's what hurt the most

day 149

i will always love the false image i had of you

day 150

everyday, i fight the urge
to text you or call you,
telling myself that
if you wanted to talk
to me, you would

day 151

i think this is the part where
i decide that i am worth more
than what you're giving me

day 152

walking away from a relationship you truly
wanted to work really screws you up

day 153

but don't you talk about me
sometimes?

day 154

that was pointless we could've
just stayed strangers

day 155

if you start to think about me again,
remember.. i didn't leave,
you pushed me away

day 156

but it's my fault for thinking
you'd stay anyways

day 157

and just like that everything
we had was gone

day 158

i know it's over, and it never really began,
but in my heart it was so real

day 159

it's better this way,
a little lonelier but better

day 160

why did you spend so much time
with me, if you were gonna leave?

day 161

i deserved a better relationship

day 162

i think a part of me always knew
we'd never end up together

day 163

i wish feelings left when a person does

day 164

it's been 8 months and
you haven't come back

day 165

i had choices but i chose you

day 166

please don't come closer..
unless you plan to stay

day 167

i miss the way you talked to me

day 168

i can't completely
give up on us,
because in the
back of my mind,
i still believe we'll
get our second
chance to do it
all over again

day 169

i'm reading old messages and realizing
how much i actually miss you

day 170

i don't want to miss you,
i'm trying so hard not to miss you

day 171

i remember every word you told me,
i can't stop thinking about it

day 172

everything i was afraid
of happening, happened

— *you left*

day 173

whatever we were, can
we just be it again?

day 174

i may regret the way we ended,
but i will never regret what we had

day 175

i still pretend that one day
you'll wake up and realize
that i'm the one you want

day 176

the reason why we can't let go of someone
is because deep inside we still hope

day 177

i just wanna call you and tell you
how much I miss you but i know
i'll be making a fool of myself

day 178

i hate how i tell myself, i'm giving up
on you and yet i'm still trying

day 179

i would go through all that pain again,
as long as i got you in the end

day 180

no one knows how much
i cried over you that day

day 181

i miss how you wanted me

day 182

i'm not going to move on.
i've already told you that.
no matter what you do
or what i do, some part
of me will always be stuck
on you. why? i have no idea.
maybe because you're the
first person i've truly
unconditionally loved.
maybe because you're
the only one who's able i
to put me under this much hurt
no matter the reason,
i could never stop loving you.

day 183

leaving me was okay
people leave me all the time,
i'm used to it. what hurts
like hell is when you made me
feel so damn special yesterday,
and then make me feel
so unwanted today.

day 184

i'm scared because what if no one
makes me feel the way you did

day 185

i will always love you
even from a distance
even in the arms
of someone else

day 186

one of the hardest things you'll ever have
to do is to stop loving someone because
they stopped loving you

day 187

i'm scared because i would go back to you
in a heartbeat if you came back for me

day 188

the problem with love is,
you can love who you want..
but so can they

day 189

i'm still in love with you even though
the you i'm in love with doesn't exist
anymore

day 190

we weren't something,
but we weren't nothing...
whatever we were...
you were special...

day 191

why am i so afraid to lose you,
when you are not even mine?

day 192

when i first met you, i honestly
didn't know you were gonna
be this important to me

day 193

one day, you're going to miss
how much i cared about you

day 194

what if we forgive each other
and tried again?

day 195

i'd give anything for us to go back
to how things used to be

day 196

i don't regret you
i don't care how it ended
i don't care about your worst
i remember how it began
and how happy it made me
i won't ever regret you

day 197

maybe one day,
we'll meet again
and explain to each
other what really
happened. maybe
one day we'll finally
understand. until then,
i hope you live your
best life and i hope
you really do all
the things you
always wanted to do

day 198

just because we can't be together,
doesn't mean i won't love you

day 199

at the end of the day, it's always you

day 200

200 days later and i still love you
just as much as i did when we first met
